

WHAT SHOULD I DO?

1. Check the college website in which you are interested in applying.

a. Which Standardized Test does the college accept?

* ACT *SAT *ASVAB *THEA * OTHER

b. Register for the exam through the appropriate website.

2. Should I take the ACT or the SAT?

(First and foremost, the tests are traditionally thought of in two different ways.)

a. **The SAT** is considered to be a test to measure your critical thinking skills and test your ability to analyze and solve problems in reading, math, and writing.

b. **The ACT** is considered to be a more 'curriculum-based' exam, testing college preparedness in the areas of English, reading, math, science by calling on information you should have learned from high school coursework.
