

ParentCONNECT

A window into your child's classroom.

What is ParentCONNECT?

ParentCONNECT is innovative, web-based software that allows parents to “log-on” and review their child’s assignments, grades, attendance, and school announcements. Mesquite ISD values family involvement, and this is just one step in bridging the communication gap between the school and home!

What if I do not have a ParentCONNECT account?

If you do not yet have an account, you must visit your child’s school office in person to fill out a **ParentCONNECT maintenance form**. An email message with your account User-ID and password will be sent to the email address you provide on the form. Once you login to the ParentCONNECT portal you will be ready to keep track of your student’s grades, projects, assignments and more.

How do I get to the ParentCONNECT portal?

Go to www.mesquiteisd.org and click on “ParentCONNECT” in the Quick Links section.
