DENTAL HEADLINES January 2011

****Using my dental insurance****

There is no dental insurance card.

1. Locate an in-network provider @ www.metlife.com.
2. Make an appointment.
3. Give your provider your social security number.
4. An in-network provider will look up your benefits online and file your claims for you!!!!

***Make the most of your dental benefits.
Register at:**

www.metlife.com/mybenefits

**Company name:
"Mesquite Independent School District"**

1. Find a participating dentist.
2. View and explore your benefits.
3. View personal policy information.
4. Check the status of a claim.
5. Download a claim form.
6. Go paperless and view your EOBs online.

Written pre-determination is strongly recommended if the dental bill is expected to be \$300 or more.

We strongly encourage you to consider using a participating PDP Dentist in order to get the maximum value from your plan.
