TASC Card

Do not discard your debit card; it is valid for 3 years!

TASC Card gives you fast and convenient access to your funds. Your TASC Card will automatically approve eligible purchases up to the maximum amount available from your Flexible Spending Account (less already paid out reimbursement requests), as long as the purchase is made at an approved vendor. Simply use your TASC Card like a credit card at the point of sale.

Soon you will receive requests for reimbursement directly in the cash account, called [MyCash](#), on your TASC Card (unless you've already elected Direct Deposit reimbursements). The funds in [MyCash](#) can be spent just like cash, anywhere and anyway you want! **For more info, contact TASC customer service or go online.**

Benefits on the Go!

TASC Mobile offers fast and easy account access from anywhere at any time! **MyTASC Mobile App** (free download at www.tasconline.com/mobile) and **MyTASC Text Messaging** (elect through your MyTASC account online) make it easy for you to access your account from your mobile device. Use these flexible wireless options to securely manage your account and request reimbursements while on the go.

Don't forget:

Mandatory enrollment every year!

If you want to continue participating in this program for 9/1/12 – 8/31/13, you must re-enroll online during annual enrollment.

Spring annual enrollment is April/May

FSA Funds do not rollover! It is important to be conservative in making elections because any unused funds left in your FSA at the close of the plan year are not refundable to you.
