

WALK-INS

The clinic will see Walk-Ins from
7:00 am until 8:30 am.

Due to the volume during cold and flu season, please note that the clinic phones will not be turned on until 8:30 am so we can direct our attention to our Walk-In patients.

In order to make this work efficiently for everyone, please remember the following guidelines:

- **WALK-INS** are for acute visits only (flu, colds, earache, etc. **ONE SYMPTOM ONLY**)
- **First come, first serve basis** (max that can be seen at this time is 22 during the walk-in period)
- We will see you as quickly as we can and will try to schedule an appointment as early as possible for those we cannot see due to capacity.

1. Sign in at front desk as you arrive
2. We will call you back as soon as possible
3. **Remember ... one illness or complaint only!**
Absolutely NO chronic diseases, medication refill requests, or multiple concerns!
4. Patience is a virtue! Please understand that we will be working as efficiently as we can. Your help is greatly appreciated!
