

Recoup Times and Locations

Students may earn recoup hours through tutoring with individual teachers. Recoup may be earned during tutoring with any teacher at KMS; it is not limited to the teachers of a student's classes.

Teachers generally offer tutoring before or after school – check with individual teachers for their specific times and days.

Students must have the Attendance Recoup Sheet signed by the teacher to receive credit. It is each student's responsibility to keep up track of recoup hours and present the sheet to Mrs. Ferguson (7th Grade) or Mr. Johnson (8th Grade) periodically for verification.
