

FCCLA stands for Family Community Career Leaders of America. We stand for just that! We want our members to become an ACTIVE part of our community. This is why most of our activities take place right here in Mesquite. As good citizens of this community, we volunteer locally. We strive to have one event per month. We meet most Tuesdays in Mrs. Taylor's portable.

On Valentines Day, we collected stuffed animals for the children at Scottish Rite Hospital.

The last two "Addressing Mesquite Days" we painted houses for widows.

We Christmas carol and dance a Conga Line while leading the residents in singing "Jingle Bell Rock" at the Waterford.

We go Trick-or-Treating for Unicef.

We also put on a bilingual play of "The Gingerbread Man" every year for the children at Scottish rite and Dunford Community center.
