 Opción 1 - El dispositivo tecnológico del estudiante será llevado a casa durante el verano
 Entiendo que el cargo del dispositivo 2022-2023 de \$20 debe ser pagado y recibido por la escuela antes de que el dispositivo tecnológico del estudiante pueda ser llevado a casa. Usted y su hijo serán responsables de asegurar que el dispositivo tecnológico y el cargador del estudiante estén seguros y se devuelvan a la escuela en agosto. Este es el enlace para pagar el cargo del dispositivo de su hijo: <https://bit.ly/touchsign>

Option 2 - Student district technology REMAINS ON CAMPUS FOR THE SUMMER
 I have discussed the choice with my child/teen and he/she understands that the student technology device will stay on campus. The student technology device and charger your child/teen is assigned will be kept on campus all summer, and returned at the start of the school year. This includes devices out for repair, if your child/teen does not have a loaner device
 Opción 2 - El dispositivo tecnológico del estudiante se quedará en la escuela durante el verano
 He discutido la opción con mi hijo y él/ella entiende que el dispositivo tecnológico debe permanecer en la escuela. Si elige esta opción, el dispositivo tecnológico del estudiante que se le asignó a su hijo se mantendrá en la escuela durante todo el verano y se devolverá al comienzo del año escolar.

Option 1 - Goes Home (Opcion 1 - Llevar a casa)
